

Trans Day of Resilience

Unpacking and
Preventing Anti-Trans
Violence

**November 15
4:00 pm to 5:30 pm**

In celebration of Trans Day of Remembrance, join us as we discuss the harmful impacts of anti-trans ideologies, the barriers trans and gender-nonconforming folks face when seeking resources, and the practices trauma responders, allies, and others can use to improve their support to those affected by anti-trans violence and harassment.
